IOWA
Located in the Western part of the state in Monona County, near Mapleton Iowa. The hunting grounds are nestled in the Loess Hills. These hills consist of wind blown sand and are considered the most fertile lands in the world. There is a STRICT herd management policy, nothing under 130 will be harvested. You must apply for Turkey in January and Deer permits in May. You can apply online at www.iowadnr.gov or call 800-367-1188. Apply for Zone 5 for Turkey and Zone 3 for Deer.

NEBRASKA

With two locations near Valentine and Dunning in the North Central part of Nebraska your going to enjoy all the scenery, terrain and Bucks! Wooded draws, rolling hill sides, wide open sand hills and wooded river bottoms are filled with Whitetails and Mule Deer that are sure to please. If you hunt in Dunning you must apply for the Loup West Management Unit. If you hunt in Valentine you must apply for the Eastern Sand Hills Unit. Apply online at www.outdoornebraska.ne.gov or call 402-471-0641. Nebraska also has Merriams Turkeys, a 3 bird limit.

Ontario Black Bear hunts are 5 day and located in White Lake, Ontario. Fishing is also available. This area has hundreds of rivers and lakes near by. Fish in the morning and Bear hunt in the evening.

Saskatchewan is home to the worlds best Waterfowl, you will have first crack at migrating birds as they head South. Most all equipment and a guide is supplied, just bring your own gun. Three day minimum.
